

I am writing in regard to K-LOVE radio station staying on the air in San Diego County and across the country. K-LOVE is a valuable radio station to me and the one I listen to most often. It is a positive alternative to many other stations that do not hold the same family values. There is no other station such as K-LOVE on the air in San Diego and getting rid of it would cause its listeners to not have another alternative. This is in the public interest in our community to have this station available to anyone who is looking for a positive station with Christian values. Thank you for your consideration of this issue and for your time.
Sincerely,
Olivia Krieger
